VEHICLE STORAGE SOLUTIONS THAT THINK **OUTSIDE** THE BOX

Rockland has the vehicle storage solution that meets your demands, no matter what those demands are. At Rockland Custom Products, we think outside the box to bring you the highest quality storage products, patented safety solutions, and other innovative accessories you need to take your vehicle to the next level.

Whether you are a First-Responder or an Off-Road Recreation enthusiast (or both!), you can trust that your vehicle storage system is made to the highest standards using the finest quality materials available by our team of professional trade craftsmen. We're obsessed with quality and we never settle for "good enough." And, neither should you.

Rockland makes storage solutions for any industry, including Law Enforcement, Fire and EMS. It doesn't matter what type of vehicle you own; we have a solution to meet your needs. Our cabinets provide the following benefits:

DURABLE MATERIALS

Cabinets are manufactured from the highest quality materials which means they will outlast your vehicle

ELECTRONIC SUPPORT

Outlets provide you options for charging a variety of electronic devices needed for running your calls

RATCHETING COMMAND BOARD

Allows you to quickly provide direction and coordinate efforts during a call

LATCH HANDLES

Simple and easy to use, while providing a secure closure for all your equipment

STORAGE COMPARTMENTS

Designed for storage of all your equipment, keeping it organized and secure

FIRE COMMAND CABINETS

FAST Series

Firefighter Assist & Search Team

The **FAST Series** of cabinets are designed with Fire Chiefs in mind. Each cabinet has been designed to fit your vehicle while providing you with enough storage space to keep your gear organized and safe. The command cabinets not only stores your gear, but it also helps you run each and every call you have.

Pick the cabinet that best meets your needs. The cabinet comes with our Secure Platform, ensuring your cabinet is securely mounted to your vehicle's flooring. This helps protect you in case of an accident and the platform allows for easy cabinet installation and removal in case you need additional cargo space.

FAST Series

EVOLUTION Cabinets

The **FAST Series Evolution** cabinets feature a large storage compartment, file drawer, a ratcheting command board and a storage area in the back with a shelf and cargo net. This cabinet is designed for the Fire Chief who has lots of gear but needs to run calls from the back of their vehicle.

FASTSeries

EVOLUTION GC Cabinets

The **FAST Series Evolution GC** cabinets feature a Gear Clear, file drawer, a ratcheting command board and a storage area in the back with a shelf and cargo net. This cabinet is designed for the Fire Chief who stores his turnout gear in his vehicle and needs to run calls from the back of their vehicle.

Gear Clear Venting System keeps you and your passengers safe from contaminants by actively and continuously pulling in fresh cabin air from inside the vehicle into the storage cabinet and forcing the contaminated air outside of the vehicle. Gear Clear helps protect you from the added dangers of exposure to viruses, bacteria, and mold.

Looking For More?

CUSTOMIZATION IS POSSIBLE

While we have designed our Standard Cabinets to fit most people's needs, we know there are times when you will need a larger cabinet or different options for your equipment or vehicle. If you find yourself in this situation, we can create a unique cabinet just for you. This option will take longer to acquire but is available for you!

We offer the following customization options:

- Locking and Handle Options
- Drawers, white board options, slide out trays and weapons drawers
- Equipment cubbies, SCBA mounts,
- Technology ports
- Finishes on the cabinets
- **And so much more!**

If our Standard Rockland Cabinets do not quite fit your cabinet needs, we can help you create your own specific cabinet. Contact us today to learn more about this option. Call 855-808-2597 or email info@rocklandcustomproducts.com.
